

Example

Start:

$A := 0$

$B := 1$

Choice?

Yes

No

Do something

Don't do something

End

```
graph TD; Start[Start: A := 0; B := 1] --> Choice{Choice?}; Choice -- Yes --> DoSomething[Do something]; Choice -- No --> DontDoSomething[/Don't do something/]; DoSomething --> End((End)); DontDoSomething --> End;
```
